Do you still believe in coincidences? Folks almost every major CEO around the world has resigned since 2017 and that's not including all the chairman of boards presidents of companies and other executives, when you do the math there has been literally tens of thousands of them that have resigned, because they were all part of this evil. Folks you have to understand that just about any one of power is an installed actor , like Mark Zuckerberg his real name is Jacob Greenberg and he never invented Facebook Facebook is a DARPA CIA operation and as part of Satan's plan , Mark Zuckerberg which is really Adam Rockefellers grandson is an installed plant actor a face for the company. Folks things are still happening faster than the human mind can comprehend.

This was not just another four-year election, this was to save the human species from the evil that has existed on our planet for tens of thousands of years to enslave the population and literally feed off of We the People and our children. The Book of Enoch explains the truth about what has taken place on planet Earth and that explains why this book was left out of the Bible, because the cabal doesn't want us to know the truth about their evil sick Minds. Folks these are truly Satan's Children that commit unspeakable crimes and if 99% of the population knew the truth they would need hospitalization ASAP.

Just remember their father Satan is the father of all lies and deception, sorcery and witchcraft which has led them to get over on us the children of Our Father in Heaven Lord and savior Jesus Christ because of our kind hearts and gentle Souls we believe in the lies and deceptions that they used through the media, Hollywood, politicians, religion and many other facets of life and we as the children of light had fallen asleep to all the lies and deceptions that were created around us through their fake schooling in systems and programming of the human mind, and it's time that we all wake up to reality and the truth.

No more sheep, No More Lies, we are awake and ready to take our planet back. Are you ready for a new world? This is truly biblical, we are on our father in Heaven's timeline and it is a great time to be alive and to be Witnesses, just like there were Witnesses back in Jesus's days. Keep praying, keep fighting because we are still in the Awakening process for those that are still sleeping, some will take longer than others in this process. Patience is of the virtue and all good things come with time. Don't forget to keep praying it is very important, Our Father in Heaven hears our prayers. Love all my Patriot friends, we are all brothers and sisters.
