"You all may recall I keep posting, ORGANIZE. Not everything is for Patriot stuff we need to do this minute. Sometimes it's for Patriot stuff we may have no choice to do months from now.

My brain stuck on <u>how</u> to save our country came up with this idea this morning. **Need Patriots experts** with technical knowledge of Cable TV to help write it all down. We will publish the finished DIY product online.

I firmly believe Blue Collar will be one of the back bones we fight back with."

I hope we get participation on this. In some situation in the future, some communities may need this quick as a red pill event.
