[Big Seven \(United States\)](#)

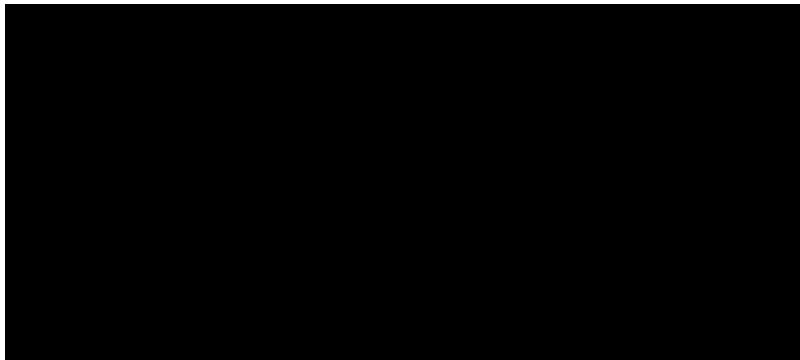

Big Seven (United States)

These groups are influential in national government, often lobbying Congress to represent their members' interests.

a lot of Mayors are on the Board of directors for NLC. NLC is an advocacy Group that lobbies in Washington. Part of the Big 7: Council of State Governments, National Governors Association, National Conference of State Legislatures, NLC, US Conference of Mayors, National association of Counties, International city/County management association. WTF! All Lobbyist organization. they are big into Equity and were driving these Subsidized housing for Migrants. and have an NLC City Summit Nov. 2019 that will have over 4000 cities and towns represented. [National League of Cities Reveals Top 10 Issues That Matter to Cities in 2017](#) very anti-Trump administration. all propped up by same shitholes that own Travelers Apple Microsoft, all goes back to them via the American National insurance Company or Reinsurance Group of America [NLC City Summit](#)
