

# *We the People,*

*of these United State of America to Law Enforcement across this land do propose a more equitable solution to your tally in riot gear apposed to sovereign citizens in lawful protest for the crimes committed against them & their liberty.*

- I. That you not engage in unlawful orders.*
  - II. That you proceed with investigations of all political persons regardless of party affiliation or appointment. Arresting those in violation.*
  - III. That in itself the justice system being corrupt, not be passed over in any way in thy investigations. Arresting those in violation.*
  - IV. Sequester & protect the Treasurer which that be in charge of thy payment for services.*
  - V. Make public all investigation conclusions.*
  - VI. Uphold Thy oaths of office above all else.*
  - VII. Deputies lawful citizens for assistance as auxiliary in these investigations under thy same oath.*
- Citizen Signatures,*
