

URGENT PLEA FOR HELP: SINGLE MOTHER PUT IN JAIL FOR PROTECTING HER KIDS FROM CHILD TRAFFICKERS (KIDS-FOR-CASH DHS-SHERIFF RING IN OKLAHOMA)

To whom this may concern,

This is an urgent plea for financial help/donations for legal fees to get the mother out of jail who is being falsely accused of some crimes surrounding getting her kids back from CPS (foster care's) hands.

I was notified last night (08/14/22) about this incident that happened with a friend of mine—her name is Samantha Ricks. She is a child advocate single mom with a beautiful 4-year-old boy and a 6-year-old girl. We believe she was targeted for helping other families and for having beautiful children.

Oklahoma unlawfully took these children with made up lies and have had them since December 22, 2021. Samantha is a God-fearing, Jesus loving, daily-Bible-reading mother who was homeschooling her children in Georgia and was lured into Canadian county, Oklahoma, by the kidnapers to join their “Christmas party for all children”, where cops and DHS caseworker friends of the child-trafficking ring showed up without warrant and took her kids into foster home of the deputy sheriff despite no proof of abuse and despite out of legal jurisdiction. Corrupt Judge of Canadian County, OK, ignored the question of jurisdiction in front of numerous court observers. After months of legal fighting, the judge finally court ordered to transfer the kid back to Georgia to its proper jurisdiction in August 2022, and Samantha was happy that she will finally get to have a fair trial in Georgia where everyone knows she is a good mother there. However, these kidnapers came up with more false protective orders against Samantha and now false charges of child-kidnapping with weapons. The guns were not hers and why would she kidnap the kids now when things are going her way. The guns belonged to the driver of the truck who was giving Samantha a ride. She is booked in Stillwater, Payne County, OK.

They have put the kids in foster care home in Oklahoma with an unlawful Sheriff and his wife in Canadian County. They have since taken their teeth out for no other reason but to abuse them and setting them up for sex-trafficking and sex-abuse. Please pray and ask for guidance as her false-criminal-case **court hearing is tomorrow 08/16/22 in Payne County, Oklahoma.**
