@C_OLDHAM

@Jimbo_Always I'm going to take much of this conversation in a pdf conversion to The S2 Project public library (<https://thes2project.com/media>) by sundown EST today. Mostly because it shows and in some ways proves that Federal Fixation, reliance on popular heroes, and the pull of 'interpretations' of current events makes everything people may know questionable. Secondly Jimbo. Your- "This whole "They have to be shown" "Q" crud is a ruse." is both simultaneously true and false. **False** in that people need to be shown- some way some how. Like one of the stages of grief, Q and Anons supply that. There is a need. Paint stores have white in 1100 colors to fill a need. So this-or-that thinking should never apply when analyzing facts.

True in that the whole of the Q operations is having people sitting on their fat duffs. That it is dangerous to think of the Q "Plan" and the **primary** plan. And the word "Only' is a dangerous psy-op tool used too often or mockingbird repeated by the public too often to the point of 'coincidence' in many regards. [this-or-that thinking indoctrination.]

Also true in that the grassroots efforts, ourselves, #WeThePeople and efforts like **but never exclusively** The S2 Project is all we can really trust. There are many grassroots efforts & people that could be & should be admired.

Another point that @WhiteEagle1927 brings up- It's not everything. Which is correct that we don't post novelettes for the limited space. There are more factors involved. I do not think White Eagle was referring to collateral damage, the vaxx injured and dead, in war. But there is that.

@Jimbo_Always - ATTENTION PATRIOTS!!! PLEASE READ THIS ENTIRE COMMENT!!! I know that there are a lot of people who still don't want to hear this. I agree with the dark unprecedented reality being pointed out in this meme. There is no question about it's truth and it's veracity. But there is also another truth to think about that goes hand in hand with this undeniably cruel and inhuman situation. This truth exposes and proves that the unimaginable evil that this meme speaks to goes far deeper. Because we have to see all sides of every issue to truly understand any issue.

What I want to add to this truth (in all good faith) is that this meme also proves that Donald Trump would allow them to do it to us. That Donald Trump had no intention of keeping his promise or fulfilling his oath that he gave to the American people.

That Donald Trump would abandon the U.S. merely pretending that his fight isn't over.

While at the same time he would allow for millions of people to be seriously injured and murdered by this insidious (and yes) Satanic Talmudic Jewish Manufactured Bio-Weapon.

A leader cannot be so afraid of war that he will allow for millions of good people (across the world) to be indiscriminately slaughtered by so many (identifiable) Jewish Genocidal Terrorist Murderers. Jewish Terrorists that he is continually fawning over and advocating for.

There is no excuse for the Chief Executive of the United States to fail to make certain that an untested, EXPERIMENTAL, fake vaccine, could ever be released into the world population in a clear and unconscionable effort to depopulate the Earth. Especially when it is The Presidents job to be our last line of defense.

No good leader (no good human being) who has a functioning conscience would even think to abandon his people like Donald Trump has clearly abandoned us. This whole "They have to be shown" "Q" crud is a ruse. It's another in a long line of Jewish Supremacist Grifts that are designed to get people who would otherwise stand up and fight for what is right, to stand down and keep foolishly waiting for a cavalry to come that absolutely has no intention of arriving.

We must never forget that this so called "Leader" Donald Trump went so far as to relentlessly SOAP BOX and SHILL for Jewish controlled Big Pharma and their Bio-Weapon. Calling it a "Beautiful Vaccine" while calling himself "The Father of that Vaccine". Just to make sure that many more far too trusting and gullible human beings would listen to his call and volunteer to have their DNA Genetically Modified and in turn have their lives destroyed. Please ask yourself... what is wrong with this clear picture?

We as a people cannot ignore this reality any longer. Lest we lose everything that makes us human in the first place. Yes, God is in control. But we still have to fight for what is right. "The Lord helps those who help themselves." We must stand up.

What I am presenting to you is the real undeniable unprecedented evil that we should never forget.

You have to ask yourself, what if from the beginning "The Plan" was to frighten and deceive people into taking a poison that they believed would keep them safe from a flu that (still) has a 99.8% survival rate?

Note to Readers: This conversation took place on Gab.com social media platform 1/1/2023 thru to the next day. <https://gab.com/JohnDagent/posts/109617280026192669>

What if part of "The Plan" was to put a "leader" in place who would be able to fool as many people as possible into believing the he had the their best interests at heart?

But all the while that leader was leading the people down a primrose path to their deaths and their destruction? Guiding them into death with a big, dumb, evil, Judas Goat clown, smile on his face.

We must no longer ignore this trap that humanity has fallen into just because we longed for a leader who would actually love us, and want what is best for us, and not want what was best for {{{THEM}}}

We must remember that putting our trust, putting our faith, putting our lives, in the hands of filthy rich men can (not only) bring about our untimely deaths. But that blind faith can bring about a collective fate that is worse than death for those who will survive. No honest, true, strong, unwavering, LEADER would ever think to abandon his people in their gravest hour of need.

Nobody (most especially) no true Patriot wakes up all at once. Waking up from the spirit of slumber is done incrementally. Waking up is a life long endeavor. True PATRIOTS are capable of modifying their point of view, and in turn they are capable of changing their strategy, as new information comes to light. War is fluid. Like the oceans the current of war is ever changing.

@JohnDagent name your preferred candidate @JohnDagent. Let's examine your resolve. It's a simple request. Stand up. Put it out there. I'd bet you'd still be a Bush man or even Reagan (the man that broke the wall and unleashed 1/2 a nation of Communist, Socialists, Marxists, etc into East Germany.) Put it out there. Maybe DeSantis that recently gave his Heath General Broad Emergency Powers. Put it out there

@Jimbo_Always - You are still trying to vote in a Illegal and Unconstitutional DE FACTO Government system. You can't win in a system that is designed to work against your best interests. Nobody that {{{THEY}}} put out there in the forefront to lead is going to change the plan to destroy America and enslave the world. That was what Trump ran on in 2016. "Vote for me because I'm not one of {{{THEM}}}." But he was lying. TRUMP IS one of {{{THEM}}} Haven't you figured that out YET?

r @Jimbo_Always - So when you were in college studying Biz and Economics. Did they teach you about the illegal and unconstitutional USURY monetary system that JEWISH INTERNATIONALISTS have yoked the American people under since 1913? Did they teach you that the USURY MONETARY SYSTEM is what created the bogus multi-trillion dollar U.S. National debt? Did they teach you that the U.S. Dollar is WORTHLESS FIAT CURRENCY?

I could go on.

But just because you had a good life doesn't mean that you were actually doing good...

All things considered... It only looked and even felt like you were doing good. Your huge success most especially doesn't mean that the American people were doing good at all.

Yoked into servitude by usurious debt to evil Jewish Internationalists to the tune of hundreds of trillions of dollars for over a century and still counting. The fortune you made didn't actually belong to you. Your fortune isn't worth the paper it was printed on. While technically (because your nation is imprisoned in usurious debt) your property doesn't belong to you either.

Every dollar that came in your paycheck was representative of a USURIOUS MULTI-TRILLION DOLLAR DEBT that by the design of usury is mathematically impossible for the people to ever repay to the FEDERAL RESERVE BANK (a private Corporation) that the U.S. National Debt is owed to. That is the system you are casting your vote in. It's a system of control and abject serfdom debt slavery of the people. If you truly understand finances then you should know this.

You don't want to admit it. But I can be a much better friend and fellow American to you then Trump or all the rest of those lying Satanist clowns in Washington DC could ever be.

And by Central Bank, he means the “Federal Reserve”.

Some of the richest people on the planet - big money players - were on the Titanic, and they were all against the idea of a U.S. ‘Central Bank’.

We all know how well that Titanic voyage went. The deaths of all the big money players was what allowed Them to finally get away with their plan. Months after the Titanic sank - with the objectors gone - the Federal Reserve was created.

lot of good families. Especially when Trump started shamelessly promoting the Bio-Weapon by calling it safe and effective and (like he said) "Possibly the greatest achievement in the history of mankind."

Trump tricked a lot of good people into volunteering to take the poison and in turn irreversibly modifying their DNA Helix with a mRNA Spike Protein Bio-Weapon. I didn't even add the undeniable truth in regards to how Trump could have pardoned the J6 prisoners. But he left them there to rot under the illegal and unconstitutional Patriot Act. Did you see the list of people that Trump DID pardon? Some of them were some pretty sketchy scumbags. Your support of Trump is highly dangerous to our nation. Especially at this time in human history.

@JohnDagent well stop reposting my posts w/ comments. I'm actually a Christian and don't believe all Jews are bad. There are atheist Jews as well as believers. I group no peoples into one group. Another thing, Trump didn't realize he couldn't fill his cabinet w/ honest people but he did expose them all. Hate him or love him you'd be talking about a Hillary Clinton. That's absolute fact. TRUMP and you are also wrong about the JEWS. A Christian that has studied the bible should know that the JEWS are born from the Serpent Seed of Satan. That is why Jesus Christ called the Jews "The Synagogue of Satan." Jesus didn't say some of the Jew are bad... Jesus Christ warned us that all of the Jews are bad.

r @Jimbo_Always @JohnDagent - At this point you have proven that you're definitely not
an American patriot. Because you run away from verifiable facts like a gatekeeper. You
are also NOT a truth teller. Because truth you don't like makes you angry. So you call
what makes you mad a lie. I don't have to discredit you... You discredit yourself. By
believing in and/or willfully spreading the liesf the American peoples USURIOUS JEWISH
slave owners that Donald Trump has always proudly represented.

You're a child throwing a temper tantrum because I exposed how misguided and under-
educated you actually are. You won't debate me because you can't debate me. You can tell
that you'll lose an open and honest debate against me. It's easy to see that you hate to lose
face. Even when you're dead wrong about something that you need to know. So you're
running away from me as fast as you can... Kiddo.

Everything that I have posted into your timeline is true and verifiable information.

You ignore it all at your own peril. You blew a fuse because I wouldn't just belly up to your misguided misinformation and treat you like you know exactly what you're talking about. When you REALLY don't know what you're talking about. When people think like you do (because of their lack of knowledge) that's what is making it possible for the De Facto U.S. Government to feel safe enough and to feel free enough to literally endeavor to kill us all now.

Trump proudly takes full credit for a deadly mRNA Spike Protein BIO-Weapon being released onto the Earth by JEWS (who are his own slave masters) and you still want to suck on the seditious bastards Anthony Weiner. Trump IS Israel FIRST! He is NOT America FIRST.

You're so close to colluding with the genocidal jackass Trump that it's really quite disturbing.

You're pathetic. You're the little boy. A spoiled little boy. You're looking for a any leader like a feral kitten searches for it's next meal. You're not acting like a man. You're acting like a YES MAN. A YES MAN STOOGES! Wake up!

If you cared about the real truth... then you would have discussed our differing opinions like a man who cares about the truth. Instead you ran away like a small boy and you took your whiffle ball with you. If you really cared about America then you wouldn't behave like this. If you cared about America (I MEAN REALLY CARED ABOUT AMERICA) then you would know that there is information that you are unaware of that could definitely help you. That is the truth for all of us.

But in your mind you're running a popularity contest and you want to be the big kitten on your block. I wasn't trying to discredit you... I wasn't trying to hurt you. I wasn't trying to embarrass you. I was trying to help you to understand something that you desperately need to know. But you don't want to know it. You're acting just like a newbie Alex Jones truther who's stuck in cognitive dissonance mode but you don't know it.

I am obviously far more well read and well researched on this monumentally important subject matter. I have over 31 years of independent research under my belt kiddo. How much time

have you sacrificed for the cause? I could have helped you understand some hard truths that if you had the strength of character to just be open minded... I would have helped you to be more capable to help other Americans who are not unlike you and I.

After all. Isn't that supposed to be the real reason why we are all here? You still need to wake up. It's not a crime to be where you're at. Unless you're doing it on purpose. But you couldn't possibly know everything that there is to know about the NWO. Nobody does. But after the over three decades that I have been doing this kind of work, I know I could have helped you get to the next level. But you don't want that. You CANNOT learn what you don't understand because you're too worried about being discredited. Grow Up. You are no good to anyone like this. Especially to yourself and your family. Wake up already.
