Just finished a meeting talking about the conservative narrative.

OUR UNIFIED MESSAGE.

This is very important. No more wanky phrasing calling the left Liber-tards, Leftist, Marxist, or 20 or so names you've heard.

YOU WERE NOT THERE FOR THE 2 HOUR MEETING AND I'M NOT ABOUT TO WRITE IT ALL OUT FOR YOU. But this is what we need

EVERYBODY to do. PASS the word that the phase is now... DemEnemy OR LibEnemy OR some inclusion of enemy Enemy Senator So&So. ENEMY.

We are closer to pushing them off an edge. Our Militias need this. Conservative Attorneys need this. Attorneys for Trump Need this. OponTheBooks.com needs this. Every organization in our coalition needs this. Patriots need to stop soft selling the truth!
